

## DISCUSSION PROMPT- Week 3

Watch these two videos:

Walmart Video: <https://youtu.be/yZC4neLax5o>

UNIQLO Video: <https://youtu.be/Kibco0kC5ZY>

1. Discuss the different forms of work that are happening along the supply chain of your typical retail industry? Consider the gendered, class, and social implications of different spaces of work.
2. What are some of the contradictions and concerns that you identify in the Uniqlo workers video? What generates these contradictions?
3. Given the characteristics outlined by Lenin, what should the features of anti imperialist organizing be? Considering this, what are three demands that can drive a campaign amongst retail workers at all levels of production globally? Imagine you are addressing workers employed by Walmart and the UNIQLO factory workers at the same time.
